Applicant submits herewith a Form PTO-1449 (two sheets), and copies of the five documents (four U.S. Patents and one publication) listed on Sheet 1 of the two sheets. The documents listed on the Sheet 2 (eight U.S. Patents) are "of record" in a parent application hereof (U.S. Serial Number 09/653,983, filed September 1, 2000), which is relied upon in the present Application for an earlier effective filing date under 35 USC 120, so no copies of the documents on Sheet 2 are required herewith in accordance with 37 CFR 1.98(d).

This Information Disclosure Statement is being filed before a final action or an allowance, and is accompanied by a fee of \$180 pursuant to Rule 97 and Rule 17(p). If any further fee is due in conjunction with this submission, it can be charged to the undersigned Counsel's Deposit Account No. 14-1435.

The listed documents are brought to the Examiner's attention because they are known to Applicant and/or Applicant's attorney and may be considered by the Examiner to be material to the examination of this application. This submission should not be construed as a representation that a search has been made or that no better art exists. No inference should be made that the documents constitute prior art or are in fact material merely because they are referenced in this submission.
